# About **BEER, GUYS, CIGARS & GOLF**

Ronald McDonald House Charities of the Coastal Empire's **Beer, Guys, Cigars & Golf** is a two-day fundraising event that helps raise money in the fight for our critically ill children and their families here in the Coastal Empire.

Sunday Night, indulge in the beer tasting, cigar sampling extravaganza that is **Beer, Guys, Cigars**. The night will feature numerous local brews, paired with great foods, and of course, cigars (and Cigar girls). For those wanting even

more, the VIP experience will feature additional "beverages" and special gifts. Music and sports will be featured throughout the evening along with great auction items and a chance to win the "**Key to the Locker**", all while benefiting a great cause.

Then, the next morning take a swing on the green at the luxurious Club at Savannah Harbor for **The Ronald Open**. Enjoy course refreshments while taking a chance to win amazing gifts, prizes, food and other surprises.

The unique feature of this event is that you can attend both days, split your package up and share, or just attend the party or the tournament.

***There is something for everyone... not just the guys!***

## Community Partnerships:

Beer Guys Cigars & Golf creates an opportunity for partnerships between our charity, local breweries, retailers, corporate sponsors, and men and women in the community. In addition to raising money, this event raises awareness for our charity, increase sales for breweries and retail partners and provides community outreach for corporate sponsors. For more information, please contact Bill Sorochnik at [bill@rmhccoastalempire.org](mailto:bill@rmhccoastalempire.org) to help tailor a package to fit your needs.

## Our Goal:

The mission of the RMHC of the Coastal Empire is to create, find and support programs that directly enhance the health & well-being of children and families in the Coastal Empire region.

In 2006, we opened our first RMHC Family Room on the St. Joseph's/Candler Campus. When families walk into a Ronald McDonald Family Room, we want them to forget they're in a hospital. Often steps away from a pediatric or intensive care unit, Ronald McDonald Family Rooms offer a place to rest and regroup right at the hospital, just moments away from their sick child. Research shows that a family presence in the hospital helps children heal and cope better. Staying close by allows parents to better communicate with their child's medical team and improves adherence to complicated treatment plans. In 2013, we opened our second Family Room at Children's Hospital on the Memorial Hospital Campus. Simply put, the purpose of RMHC of the Coastal Empire is to provide stability and vital resources to families when they need it most.

Our Family Rooms served over 3,200 additional families in 2017.

Our other core program is the Ronald McDonald Care Mobile that provides under-served children with free dental examinations and preventive treatment, serving 2,700 children last year.

## **About Ronald McDonald House Charities of the Coastal Empire:**

In 1987, the 100th Ronald McDonald House was built here in Savannah, Georgia, now known as The Ronald McDonald House Charities of the Coastal Empire. It is affectionately called the “House That Love Built”. We help families of seriously ill, hospitalized children cope with the stress and expense of daily living while trying to be close and emotionally strong for their child. More than just a room and a hot meal, the Ronald McDonald House is a “Home Away from Home” for families faced with a child’s medical crisis. It can be a quiet place to be alone, or a place of companionship, sharing, and emotional support. We know that when a child is hospitalized the love and support of family is as powerful as the strongest medicine prescribed. Savannah’s Ronald McDonald House allows families to remain close to their children receiving treatment at area hospitals.

In 2017, the Savannah RMH provided 4,270 family night stays. Our House has 13- bedrooms and operates on a waiting list most of the year. In addition to having a private bedroom and bathroom, families have amenities that include a kitchen, TV room/playroom, Internet access, laundry facilities and an outdoor recreational area. Volunteer groups come to the House each night and provide a home cooked meal for our families. Most importantly, our families have 24- hour access to their children who are in the hospital.

Beer, Guys, Cigars, & Golf is back! This two-day affair kicks off with the Beer, Guys, Cigars party on Sunday, September 23, 2018 from 7:00 pm -10:00 pm with a VIP Hour beginning at 6 PM. Featuring a spin on an auction not to be missed, a marketplace to delight all guests, fantastic local breweries, paired with great food from celebrated local chefs, and of course, cigars (and Cigar girls)! On Monday, September 24, 2018, join us as we “tee off” our annual Ronald Open Golf Tournament at 10 am (shot gun start) at the luxurious Club at Savannah Harbor. There will be amazing gifts, prizes, food and a few surprises. The unique feature of this event is that you can attend both days, split your package up and share, or just attend the party or the golf. There is something for everyone, and the event is for everyone... not just for the guys!

Would you consider donating an item or service to our **Key to the Locker**? This appealing alternative to an auction enables event guests to give RMHC \$100 for an opportunity to win the entire “locker” of prizes. “Keys” will likely sell out earning RMHC \$10,000 and providing wonderful exposure to all the “Locker” contributors. Tickets are limited to 100. Winners must be present to win. The “Locker” will be beautifully staged, and donors will be thanked in the event program, on event signage, and on social media.

RMHC provides comfort to parents with critically ill or injured children who need a place to stay when the hospital with specialized care is many miles away. The 13-bedroom “home-away-from-home” provides a nurturing environment for the families to stay near the hospital. The House operates at nearly 100% occupancy 365 days a year. It costs Ronald McDonald House \$100 per day to provide this comfort for each family.
