

Holiday Gift List

With the stress of having a child in the hospital, thinking about buying holiday gifts is the last thing on a parent's mind. Every holiday season, RMHC® of the Coastal Empire sets up a Holiday Store for our families to go "shopping". This is where our families pick out presents to give to their children and families!

To make this happen, we need your help! We are looking for new, unopened, and unused gifts for all ages (infancy to adulthood). Please make sure items are not gift wrapped.

All Amazon Wish List items can be delivered directly to the Ronald McDonald House at 4710 Waters Avenue, Savannah, GA 31404
